RE: Civil Action No. 1:19-cv-00715

ANSWER:

1. I, Yaser Ahmed of 113 Eastland Drive, Symrna, TN 37167 am responding to the above complaint regarding Juuls Lab, Inc.
2. On February, 2019 I have decided to quit smoking. Therefore, I decided to purchase the Juul Pods. I bought 100 pieces from dhgate.com without any knowledge that this product is counterfeit. If I even knew that the items were counterfeit, I would not have personally smoked it and used it for my personal use. My dentist asked me to stop smoking since I would be undergoing teeth treatment(implant).
3. I am a father that is striving to have a good life for my children and work as an Uber Driver. My family and I are low income and I have never traded in such products nor do I have a store for these type of items.
4. In addition, I have not sold such items before along with a letter from my dentist indicating that I underwent teeth treatment (implant) and to stop smoking. I was used about 75% and sold 25%.
5. I, hereby request to file a motion for the case to be dismissed due to the lack of knowledge that the product was counterfeit. I did not even have the knowledge that Juuls Lab even existed nor that these items are replicas. I can assure you if that was the case, I would have never bought it nor sold it.
